When congregations engage in transitions and changes that may lead to transformation they need to know more about the choices available to them that will empower them to be Faith-Soaring in a manner that they may reach their full Kingdom potential. This course examines 16 choices for congregations to consider for their Journey using the categories of Stay the Course, Modify the Course, Change the Course, and Plot a New Course.

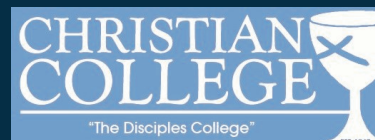

Congregations can use the choices to develop scenarios and a Future Story for their congregation.
